Call for Transportation Improvement Program (TIP) Projects for development and addition to the FY2020-FY2023 TIP:
Please provide the following information:

Name: _____
Address: _____
Email Address: _____

Call for projects:

The Clarksville MPO is now in the process of developing a new Transportation Improvement Program (TIP) for fiscal years 2020-2023. The TIP is a four-year financially constrained priority list of projects within the MPO planning area funded with federal, state, and local dollars.

Please accept this notice as your opportunity to submit potential projects to be funded with Federal Surface Transportation Block Grant (STBG) funds. Most projects require a 20 percent local match and must be sponsored by a governmental entity that can demonstrate a financial commitment to the project. Projects on residential streets do not qualify for federal transportation funds and cannot be considered for the TIP.

Please list any problems or concerns within the project area and any benefits toward air quality, safety, congestion with the addition of your recommended project. **Completed applications must be received by the MPO no later than May 17, 2019.**

Please Return:
Call for Project Form by **May 17, 2019**
