Dr. David Ripple
Executive Director
Clarksville-Montgomery County Regional Planning Commission
329 Main Street
Clarksville TN 37040

Dear Dr. Ripple:

As the designated Metropolitan Planning Organization (MPO) for the Clarksville urbanized area, the Clarksville Urbanized Area MPO Executive Board is required to establish a Metropolitan Planning Area (MPA) boundary that includes, at a minimum, the entirety of the urbanized area defined by the U.S. Census Bureau after each decennial census, along with any contiguous areas that are expected to become urbanized over the next twenty years.

The revised MPA boundary adopted by the Executive Board on January 15th, 2015 satisfies these requirements. As Governor Steve Beshear's designee, I am pleased to inform you of my concurrence with this revised MPA boundary. Please submit the approved MPA boundary to the Federal Highway Administration (FHWA) along with a copy of this letter as documentation of the Governor's approval.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael W. Hancock", written over a large, stylized circular flourish.
